Helping people perform and communicate when it counts

WHSTL helps people grow as leaders and work better together. Ben Whitehouse draws on more than 15 years at the highest level of rugby and a career in policing to help teams communicate clearly and make sound decisions under pressure.

Keynote speaking Clear When It Counts: lessons from Ben's experience in communication, judgement and leadership under pressure.

Leadership development Workshops and programmes that strengthen judgement, accountability, confidence and team performance.

Clearer communication Practical tools for clearer conversations, better feedback and trust when pressure rises.
